Team SMART Goal	Benefits and Action Steps	Who Is Responsible	Target Date or Timeline	Balance of Effort/Time

Specific **M**easurable **A**ttainable **R**elevant **T**ime-limited

Developing a SMART learning goal makes sure that your goal is focused and provides a clear idea of what you want to learn. A SMART goal makes it easier to plan relevant learning activities, measure your progress toward achieving the goal and know when you have met your goal.

This graphic shows you how developing SMART learning goals is part of a continual process, which includes reflecting on your practice and developing a Learning Plan with goals and activities.

Goal Setting Worksheet

- Specific
- Measurable
- Attainable
- Realistic
- Time-based

Action steps	Deadline	Necessary Resources	Potential challenges
What needs to be done?	When should this step be completed?	What resources can you use to complete this step?	Are there any potential challenges that may impede completion? How will you overcome them?
